Memo No. NDDM/SWM/1290

Date: 18/02/26

EXPRESSION OF INTEREST NOTICE

Chairman/Executive Officer, NDDM invites EOI from eligible & authorized manufacturers/agencies for the supply of **Plastic Waste Bins (Model 10 with Lid & Handle)** in Blue & Green colors with white printing. Intending bidders must submit rates on their letterhead with valid GST, PAN, Trade License, and credentials from **18/02/2026 to 25/02/2026** in a sealed envelope. Detailed specifications are available at the PH Dept. of NDDM. Selection evaluation will be determined by the designated authority.

Sd/- Chairman North DumDum Municipality

1. Technical Specifications & Product Compliance

Our proposed Twin-Bin Waste Collection Bins (Model 10) strictly conform to the specifications outlined in your EOI notice:

Parameter	Specification / Compliance Details
Product Model	Model 10 - Twin-Bin Waste Collection System
Capacity per Bin	10 liters (as specified)
Material Composition	100% Virgin High-Density Polyethylene (HDPE) / Polypropylene (PP) with UV-stabilization additives for enhanced outdoor durability and color retention
Wall Thickness	Minimum 2.0mm to 2.5mm throughout the bin body ensuring crack-resistance under heavy usage conditions and rough handling
Color Configuration	Twin-Bin Set: (1) Blue bin for Dry/Recyclable Waste + (1) Green bin for Wet/Biodegradable Waste (as per CPCB/Municipal norms)
Lid Mechanism	Tight-sealing hinged lid with secure closure to prevent odor leakage and pest intrusion
Handle Design	Ergonomic carrying handle molded into the bin structure for convenient portability
Printing Specification	High-visibility white screen-printing/pad-printing on bin

	exterior displaying waste segregation instructions as per standard municipal guidelines (detailed printing script will be adhered to as provided by NDDM)
Durability Features	Weather-resistant, impact-resistant, easy to clean smooth surface, resistant to chemicals and cleaning agents, suitable for both indoor and outdoor placement
Manufacturing Process	Injection molding / Rotational molding with quality control at every stage

1.1 Quality Assurance & Testing

All bins will undergo rigorous quality checks including:

- Visual inspection for molding defects, cracks, or surface irregularities
- Wall thickness verification using ultrasonic thickness gauges
- Lid seal integrity testing
- Load-bearing capacity testing
- Print quality and durability assessment

2. Commercial Bid / Rate Chart

We hereby submit our competitive commercial offer for the supply of the specified bins:

S.No.	Item Description	UOM	Unit Rate (₹)
1	Plastic Waste Collection Bin - Model 10, 10 ltr capacity with Lid & Handle Blue Color (for Dry/Recyclable Waste) With white printing of segregation instructions	Per Piece	
2	Plastic Waste Collection Bin - Model 10, 10 ltr capacity with Lid & Handle Green Color (for Wet/Biodegradable Waste) With white printing of segregation instructions	Per Piece	

Terms & Conditions:

1. The above rates are exclusive of GST. Applicable GST will be charged extra as per statutory requirements.
2. Delivery: [To be specified - Ex-Works/FOR Destination as per your requirement]
3. Payment Terms: As per NDDM standard payment terms for suppliers.

3. Company Credentials & Experience

[Company Name] has been serving the waste management sector for [X] years with proven expertise in manufacturing and supplying waste collection bins to various municipal corporations, urban local bodies, and institutional clients. Our track record includes:

- Supply to [mention similar municipalities/corporations if any]
- Annual production capacity: [specify if applicable]
- Manufacturing facility equipped with modern injection/rotational molding machines

- Timely delivery record and consistent quality maintenance

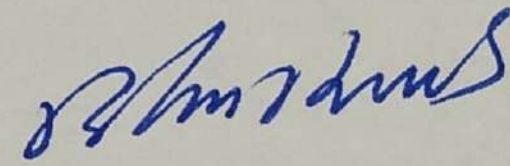

4. Enclosed Documents

We are enclosing the following mandatory documents in support of our EOI:

- a) Valid GST Registration Certificate
- b) PAN Card
- c) Trade License (Valid)
- d) Company Profile / Manufacturer's Authorization (if applicable)
- e) Previous Work Orders / Experience Certificates / Client References
- f) Product Catalogue / Technical Brochure (if available)

We express our keen interest in partnering with North DumDum Municipality for this project. We assure you of our commitment to deliver high-quality products that meet and exceed the specified requirements, coupled with timely delivery and competitive pricing. Our team is ready to provide any additional information or clarifications that may be required during the evaluation process.

We look forward to the opportunity to serve North DumDum Municipality and contribute to the success of your waste management initiative.
